New Officers For Farm Bureau

The Appomattox County Farm Bureau held its annual dinner meeting on Saturday evening at the Appomattox County High School cafeteria. One hundred seventy-four were present for the dinner served by the ladies of Bethel United Methodist Church, 135 of these were members of Farm Bureau.

New officers and board members shown above, left to right, are Monroe Dyess, President; James Rosser, Vice President; Mrs. Bertha Jones, Secretary-Treasurer; E. Carter Martin, Director from Southside; George Shirey, Stonewall Director; John Hix, Clover Hill Director; Earl Pickett, immediate past president; and Richard Krantz, Stonewall Director. Not available for the photo were L. L. Webb, Clover Hill Director; Marvin Glover, Clover Hill Director; Harold Jones, Southside Director; Archie Webb, Southside Director; and Walter Henry, Stonewall Director.

Appomattox County Farm Bureau has grown by leaps and bounds on the local level and Farm Bureau has grown state-wide also.

Report To School Board

Cont'd from Page 1

garten level for approval.

On recommendation by Lloyd Walton, Division Supt., the board adopted a resolution supporting the reporting system as submitted.

Eugene Peyton reported on the Standards of Quality as set up by the State Board of Education. He spoke briefly on activities and programs they hope to achieve. The school division plans to have each student learn the basic skills of reading, writing, and arithmetic which are commensurate with his stage of maturity and ability, to provide each student with the proper academic background for higher education and/or to provide him with the skills and knowledge necessary for employment and desirable living, to have each student acquire a sense of personal worth and dignity and to have each student acquire the knowledge and skills which will enable him to understand and deal constructively with his ecological, physical, economic, and social environment.

Adult education programs are set up to provide instruction for eligible students to take general education classes, to prepare for G.E.D. equivalency or to take basic adult classes. Special provisions shall be made for gifted students through classes offered on a regional or special basis.

Frank Chuchek reported that work on the new high school is on schedule, all brick work is done, and within two days the roof will be completed.

Eighty percent of the labor has been expended but materials are beginning to get scarce, now takes longer to get necessary materials. If materials can be gotten on schedule the new high school could well be completed before the scheduled date. Ninety percent of the grading is complete and they hope to get the land seeded by November 15th.

Richard Carter, Supervisor of Vocational Education, reported that there is a lot to be done but they have already accomplished a lot this year.

The work-study program is in operation with twenty-nine students employed, the larger number of these students are doing clerical or stenographic work.

Carter stated that they are trying to get information ready and out regarding programs that will be set up in the new high school that are not available now so that students can plan what they would like to take.

An evaluation program in Vocational Agriculture is underway to determine the effectiveness of the program. This is a state-wide program.

The Division Superintendent and the board members commended these people for the fine job they are doing.

Superintendent Walton informed the board that they had received a request from Longwood College asking that our school system work with some students in their Student-Teacher program. At the request of the superintendent the board approved the request from Longwood College. The student-teacher program has been used in county schools in past years and has proved very beneficial.

Success Of Bike-A-Thon Tremendous

Cont'd from Page 1

next year.

For the 65 riders in the Bike-A-Thon sponsors have pledged donations amounting to $2600.00! This total may vary as additional pledges continue to come in or if by chance an error was made in tabulating the total for each rider.

The Appomattox County Unit is the smallest in the State of Virginia but we are confident that no other county will come close to this record amount that has been pledged. It's really unbelievable! But when interested young people and adults decide to fight (or ride) for a worthy cause you'd best believe that "we can lick cancer in OUR lifetime", and that is the greatest desire of the American Cancer Society.

Last year, at the first annual Bike-A-Thon, forty cyclists rode and the total amount pledged and raised was $485.50 and was termed a "big success".

The ten cyclists having the most money pledged are as follows: Richard Guill, $131.00; Ruth Trent, $125.00; Hilda Ferguson, $135.00; Becky Shorter, $108.00; Linda Mathews, $115.50; Debbie Rush, $115.00; Larry Burrell, $115, Mitch Mitchell, $101.00; Jerry Mitchell, $83.00; and Kathy Lewis, $82.50. These totals are subject to change when pledges are collected.

ONE FIRE CALL ANSWERED

During the week of October 8th, the Appomattox Volunteer Fire Department responded to only one call.

On October 10th at 8:45 p.m., two trucks and 9 men answered a call for a house fire. Damage was confined to a mattress.

Council Votes To Increase Fee

Cont'd from Page 1

allow sufficient time for the more than 35 different exhibits that are to be set up during the now two-day festival.

Main Street from Jeanne's Coffee Shop to Church Street will be closed to traffic on Saturday, November 3rd, from 10 a.m. until 6 p.m. and on Sunday, November 4th, from noon until 6 p.m. The Town of Appomattox will provide adequate police protection during the two-day festival. The N&W Railroad has already turned the key to the "depot" over to the town and the depot is being cleared, cleaned and repaired in preparation of the event.

A request was received for three street lights, one on Patricia Ann Lane, one on Lombardy Street and one at the drive-way at the home of Jack Caldwell. Council took no action on this matter but will act on the reccommendation of the Street and Light Committee.

The Appomattox County High School Student Council Association requested permission to conduct a parade for Homecoming on October 26th, 1973 using the same route that the Christmas Parade took last year. Council approved the request and has in turn ask permission from the Highway Department.

Council voted to keep the same Christmas decorations for the town and set December 1, 1973 as the date to turn on Christmas lights. In the event of an energy crisis, the lights may not be turned on this year but the decorations will be put up.

In other business, council passed a motion to indicate their intent to adopt Section 18.1-54.1 of the drunk driving statutes in order that the thrown code can be updated.

Supervisors Approve Final Plans For Office Building

Cont'd from Page 1

Sheriff Gene Richardson requested that the Board of Supervisors approve the purchase of three cameras to be used in his department. He felt that a camera should be in each of the three cars at all times. The request was approved by the board.

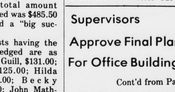
In other business, W. S. Slagle, Administrator for the Appomattox County Sanitary Landfill, reported that Fred Jones well Drilling Company had submitted the only bid for a well to be dug at the landfill site. The board authorized Slagle to go ahead with plans for the well at the landfill.

A letter from the State Health & Welfare Department was read congratulating Mr. Slagle for his foresight and enthusiasm in his work with the sanitary landfill and stated that the Appomattox County Sanitary Landfill met all requirements of the state.

The board authorized Steve Bowling, Building Inspector, to purchase 50 County Seal decals to be placed on equipment owned by Appomattox County.

KitchenAid special value

MEANS CONVENIENCE, PERFORMANCE RELIABILITY.



Model KCS-110

Marriage Announced

Mr. Clarence Davidson of Spout Spring has announced the marriage of his sister, Mrs. Agnes Davidson Powell, to Mr. Albert Christopher Reynolds, Jr., son of Mr. and Mrs. A. C. Reynolds, of Spout Spring.

The wedding took place on Wednesday evening, October 10th, at 7:30 p.m. in the parsonage of Spout Spring Baptist Church.

The Rev. L. L. Schwemer, pastor of the church, officiated at the double ring ceremony.

Mrs. Reynolds is employed at the Times-Virginian in Appomattox and Mr. Reynolds is employed with Babcock & Wilcox Company in Lynchburg.

After a wedding trip to the Great Smokey Mountains, Mr. and Mrs. Reynolds are making their home in Appomattox.

MRS. ROBERT EMMETTE AYERS
the former Miss Deborah Joyce Lucas

Wed In Afternoon Ceremony

The marriage of Miss Deborah Joyce Lucas, daughter of Rev. and Mrs. Earnie William Lucas Jr., of Appomattox to Robert Emmette Ayers, son of Mr. and Mrs. Emmette George Ayers of Appomattox, took place Saturday afternoon at 5 o'clock in the Bible Baptist Church in Appomattox.

Rev. Earnie William Lucas Jr., father of the bride, officiated at the ceremony.

A program of nuptial music was provided by Miss Donna Lynn Stanley.

Given in marriage by her father, the bride wore a traditional slipper length wedding gown of Dream-spun Delight in delustered satin. Chantilly type lace shaped the bodice and cuffs of the full bishop sleeves and deeply flounces the full skirt and semi-cathedral train. She wore a Juliet type veil with flutted tulle, lace scattered with sequins and pearls.

She carried a prayer book showered with yellow sweet heart, roses and stephontis topped with a white orchid and long streamers.

Miss Teresa Lynn Lucas, sister of the bride, was her maid of honor. She wore a slipper length gown of chiffon with a blue design, featuring a high stand up collar, with an empire waist and short length sleeves, and she carried a yellow mum with yellow and white ribbon.

Mrs. Julian Marcom, cousin of the bride, was her matron of honor. She wore a slipper length gown of chiffon with a blue design, featuring a high stand up collar, with an empire waist and short length sleeves, and she carried a yellow mum with a yellow ribbon.

Other attendents were Miss Mary Elizabeth Ayers, Miss Hettie Nell Ayers, and Miss Judy Diane Ayers, sisters of the bridegroom. Miss Carla Ann Stancil, cousin of the bride from Jacksonville, N. C., and Miss Judy Lynn Johnson of Tennessee Temple College and Appomattox. They wore a slipper length gown of chiffon with a green design, featuring
